The Honorable Stanfield Turner  
Central Intelligence Agency  
Langley, Virginia 20505

Attention: Office of Legislative Counsel

Dear Admiral Turner:

The General Government Division of the General Accounting Office is undertaking a self-initiated survey on the compilation and interpretation of drug statistics. At the Central Intelligence Agency, we wish to talk to knowledgeable officials and obtain information on the production, consumption and flow of illicit drugs, mainly heroin and cocaine, and on the eradication and destruction of opium. No overseas work is planned at this time.

Anticipating a July start, this multi-agency survey will be performed by John Chunta, Robert Price and Frank Pitts of our headquarters staff. Notification of security clearances will be sent under separate cover.

We would appreciate your assistance in notifying the appropriate officials of our survey and asking their cooperation in providing our staff with the necessary information. If there are any questions do not hesitate to contact Mr. Chunta or Mr. Pitts at 633-1560.

Sincerely yours,

*Louis W. Conahan*
